To the Office of the NSW Legal Services Commissioner

This is to certify that I have today examined:

Mr Alfonsas Stonis,
53/128 George St,
REDFERN. 2016

He has experienced panic attack with PTSD symptoms (nausea , unable to concentrate and process the information , reduced memory) when he has to submit information related to previous trauma /injury .

He found that he has been struggling to write down /submit the complaint related to his past injury /trauma .

He needs extension to submit the injury claim

I support him to have the extension of time to submit the complaint to the Office of the NSW Legal Services Commissioner

Regards

Dr Susana Tjandra
